

# P-K SONIC®

**Satisfies Domestic Hot Water  
and Comfort Heat Applications\***

*\*Domestic hot water options only available from 650-1000 MBTUs*

The P-K SONIC® stainless steel condensing boiler surpasses all expectations in efficiency, size and material design. This unique design allows the P-K SONIC® to operate up to certified 97% efficiency with up to 7:1 turndown and ultra-low emissions.

The P-K SONIC® comes standard with the NURO® Touch-Screen Control System, providing the ability to easily control your indoor boiler system anytime, from anywhere. Whether using a desktop or mobile device, NURO® Connect allows for quick easy modification of system parameters for optimal efficiency.

COMPETITION

# P-K SONIC<sup>®</sup>

Breaking Barriers in Design  
and Reliability

## Big output in a small design

Easily fits through a standard 36-inch doorway and navigates corners and hallways with ease.

## Easy maintenance for better performance

Compact design allows easy to access front maintenance door, saving time and money associated with repair and maintenance.

## NURO<sup>®</sup> Touch-Screen Control System

### Easy to Use:

Simple touch-screen technology adjusts boiler controls with a swipe of the finger.

### Easy to Set-up:

Setup Wizard provides guided setup for virtually all applications.

### Easy to Connect:

NURO Connect<sup>®</sup> gives access to data through mobile or desktop devices.

## COMPETITION SIZE

A design that fits

# 60%

\*SMALLER THAN THE  
LEADING COMPETITION

*\*Calculation based on competitor boiler size of 40.5"Wx109"Dx80"H*

## FEATURES

- ✓ Unique stainless alloys resist corrosive condensation
- ✓ Compact design fits through a standard 36" doorway
- ✓ Full modulation burner with up to 7:1 turndown
- ✓ Available with domestic hot water option (650 to 1,000MBTU only)

## ADVANTAGES

- ✓ NURO<sup>®</sup> Touch-Screen Control System allows for easy control anytime, anywhere
- ✓ Front accessibility reduces repair and maintenance costs
- ✓ Low electrical energy consumption increases savings
